Crash test Certificate

To whom it may concern, Permobil AB hereby confirms that the wheelchairs listed below have been verified concerning crashworthiness in accordance with ISO 7176-19. This implies that it's safe to be transported in a vehicle when using the combination of listed wheelchair and fastening system.

Manufacturer: Permobil AB, Per Uddéns Väg 20, 861 23 Timrå, Sweden

The wheelchairs fulfill all applicable design and performance requirements according to ISO 7176-19 as described in the table below.

This certificate is valid assuming that no changes are made to the wheelchair after delivery from Permobil AB.
